

# ONLINE Interaction between MSR and Tsushima

Tsushima High School in Aichi, Japan  
third-year international students

September 16th, 2565. 7:45–8:35 (9:45–10:35 in Japan)

## The first ONLINE Exchange in 2565

“Good to see you again! We haven’t seen each other for a long time.”

First, we exchanged cordial greetings with each other. Teacher Boom, who delivered a cute baby in January, has got back to work. She is now in charge of our international relations.

Next, we discussed the following four topics.

- 1 【Yumeno】 about **anime** (“My Neighbor Totoro” and “Spirited Away” etc.)
- 2 【Natsumi】 about **music**( school song, K-pop, J-pop etc.)
- 3 【Ririka】 about **fashion**(school uniforms, fashion in each season etc.)
- 4 【Wakana】 about **the romantic situations of high school students**

1 In her speech she explained that the word ‘Ghibli’ means the hot air or wind in the desert.

2 With the opening of singing each school song, this topic warmed up with K-pop and J-pop, especially K-pop group ‘TWICE’ and J-Pop singer ‘FUJII Kaze’.

3 Most of schoolgirls are interested in the latest fashion and the way they look in certain clothes including their school uniforms. In fact, Japan has four seasons, and Thailand has two. They are just coordinated in consideration of each season. How cool in hot seasons!

4 This topic is a sensitive issue. According to her survey, 75% of high school students in Japan have no girl(boy) friends. She said that one of the reasons is that they don’t want to spend time or money on boyfriends or girlfriends. How about the situation in Thailand?

The results are much the same, answered a schoolboy bashfully. What!?! Really!?

We are deeply grateful to Teacher Boom and MSR students. We are happy to have the opportunity to talk to you. We hope both schools will continue to communicate with each other and make further efforts to bring about the development and happiness of both schools.
